Mrs. Manley:

I have some thing I
want to explain to you. You
see while I am away in
spring training I will not
be drawing my money. I
have my rent to pay and
also my family will have to
get along until I draw my
first pay. I would like to
know if I could get around
\$15.00 in advance. That would
take care of things until my

(3)

I am quite sure since the fellows are out of the service now they all will be giving their best.

The job I have now is good, and they are going to let me play ball and my job will be waiting for me when the season is over.

I will be waiting an answer from you as time is drawing near.

Truly
Clarence

First pay day. I have been quite busy since I got my discharge. I have a fine room house and I had to buy all of my ~~food~~ furniture and things. The house is really fine and I had the fellow to save it for me while I was in the service.

I am feeling fine and I know that training will get me in shape soon. I am weighing 184 lbs now, I don't think I put on much weight, not more than a couple inches at most. I just hope we will have a winning team,
